Section 2. The School Board has an obligation to meet and negotiate in good faith with the exclusive representative of the teachers in an appropriate unit regarding grievance procedures and the terms and conditions of employment, but such obligation does not compel the School Board or its representative to agree to a proposal or require the making of a concession.

Section 3. The School Board has the obligation to meet and confer with teachers to discuss policies and those matters relating to their employment not included under the PELRA.

Section 4. The School Board shall not meet and negotiate or meet and confer with any teacher or group of teachers who are at the time designated as a member or part of an appropriate teacher unit except through the exclusive representative if one is certified for that unit or as provided for in the PELRA.

Section 5. The School Board shall have the right to petition the director for arbitration under the PELRA; provided the exclusive representative or the School Board has first petitioned the director for mediation services as are available under the PELRA.

Section 6. The School Board may hire and pay for arbitrators desired by the provisions of the PELRA.

Section 7. All provisions of this Agreement are subject to the laws of the State of Minnesota, Federal laws, valid Rules and Regulations of the State Board of Education, and rules, regulations and orders of State and Federal governmental agencies. This section does not incorporate federal and Minnesota law or applicable federal and state agency rules by reference into this Agreement.

Section 8. The School Board has the duty to efficiently manage the School District. The primary obligation of the School District is to provide students with the opportunity for an education. The enumeration of rights and duties in this Article do not exclude the inherent managerial rights and functions not expressly reserved herein.

ARTICLE IV RIGHTS AND OBLIGATIONS OF TEACHERS

Section 1. Nothing contained in the PELRA shall be construed to limit, impair or affect the right of any teacher or his/her representative to the expression or communication of a view, grievance, complaint or opinion on any matter related to the conditions or compensation of teachers or their betterment, so long as the same is not designed to and does not interfere with the full faithful and proper performance of the duties of employment or circumvent the rights of the exclusive representative if there be one; nor shall it be construed to require any teacher to perform labor or services against his/her will.

Section 2. Teachers shall have the right to form and join labor or teacher organizations, and shall have the right not to form and join such organizations. Teachers in an appropriate unit shall have the right by secret ballot to designate an exclusive representative for the purpose of negotiating grievance procedures and the terms and conditions of employment for such teachers with the School Board of such unit.

Section 3. Teachers who are professional employees as defined by the PELRA have the right to meet and confer with the School Board regarding policies and matters not included under the PELRA.

Section 4. Teachers through their certified exclusive representative have the right and obligation to meet and negotiate in good faith with their School Board regarding grievance procedures and the terms and conditions of employment, but such obligation does not compel the exclusive representative to agree to a proposal or require the making of a concession.

Section 5. Teachers shall have the right to request and be allowed dues check off for the exclusive representative, provided that dues check off and the proceeds thereof shall not be allowed any teacher organization that has lost its right to dues check off pursuant to the PELRA.

Section 6. An exclusive representative shall have the right to petition the director for arbitration under the PELRA; provided the exclusive representative has first petitioned the director for mediation services as are available under the PELRA.

Section 7. Personnel Files. Every teacher has a permanent file in the District Office. Pursuant to M.S. 122A.40, subd. 19, as amended, all evaluations and official files, wherever generated, relating to each individual teacher shall be available during regular school business hours to each individual teacher upon the teacher's written request. The teacher shall have the right to reproduce any of the contents of the files and may include in the file written information in response to any material contained therein. When material involving evaluation or any performance related material or notice of reprimand or deficiency is to be placed in a teacher's file, a copy will be provided to the teacher. The school district may destroy such files as provided by law, after first giving the teacher the opportunity to keep any items scheduled to be destroyed. Any teacher may submit items to his/her immediate supervisor for inclusion in the file.

Section 8. Association Release Time. During the term of this Agreement, the exclusive representative will have available 480 hours of release time. This time shall include all time spent away from teaching duties on behalf of the exclusive representative as designated by the Northfield Education Association President including any negotiation or grievance activities. Association leave shall not be used for activities in support of any other exclusive representative of employees, nor to run for elective office of any kind.

Section 9. Full-Time Teachers. Teachers regularly scheduled to work the full teacher duty day as described in Section 1, Article IX, shall be deemed to be "full-time" teachers.

ARTICLE V BASIC SCHEDULES AND RATES OF PAY

Section 1. Salary Schedules. The salary schedules of teachers covered by this Master Agreement are set forth in appendices A and B attached herewith, and are hereby incorporated as part of this Master Agreement.

A. Eligibility for Increments.

1. Each teacher who worked more than one-half of the teacher duty days for the 2010-11 school year will be advanced one step on the salary schedule for the 2011-12 and 2012-13 school years, until the maximum step has been reached. There shall be no withholding of increments during the term of this agreement. Increments contained in the 2012-13 salary schedule will not be paid in the 2013-14 school year in the absence of an agreement between the parties covering the period from July 1, 2013 to June 30, 2015.

B. Recognition of Prior Experience. Full credit for teaching experience in other school systems shall be given for up to six years when placing newly hired teachers on the salary schedule. Additional teaching experience may be credited at the discretion of the School Board.

C. National Certification. Any teacher who has achieved one of the following national certifications shall be paid an annual stipend of three hundred (\$300.00) dollars. This stipend shall not be considered part of the teacher's annual salary. The teacher shall provide a copy of current certification prior to September 15 of each school year.

The following certifications shall apply:

National Board of Professional Teaching.

Guidance Counselors: LPC (Minnesota Board of Behavioral Health and Therapy-Licensed Professional Counselor).

<u>Lane</u>	
B.A.	13
All other lanes	14

No teacher may advance beyond the maximum step on a lane set forth above.

- B. Negotiated raises in steps during subsequent years shall, however, be paid.
- C. A teacher changing lanes from a frozen step shall receive credit toward step increments in the new lane for service while on the frozen step, up to the maximum step on the new lane set forth above.

Section 3. Rehired Retired Teachers. The School District may rehire retired teachers for positions, including long-term substitute positions according to the following provisions:

- A. The exclusive representative recognizes voluntary waiver of continuing contract rights by retirees who want to return to teaching.
- B. The salary placement shall be on the teacher's proper lane and not less than the sixth step. No longevity payments will be made.
- C. All benefits and leave time will be provided according to the Master Agreement, except 403b contributions, accumulation of leave time, and retirement provisions. Retirees receiving retirement insurance benefits from the District when rehired will continue with those benefits as if retired.

D. Insurance benefits may be waived by mutual consent.

ARTICLE VI EXTRA COMPENSATION

Section 1. Individual teachers may enter into separate contracts with the School Board for the performance of assignments in addition to or differing from the performance of basic teaching duties. Such separate extra assignment contracts shall not be part of a teacher's continuing contract. Non-bargaining unit individuals hired for Schedule C assignments are not subject to this Agreement.

During the term of this Agreement, the compensation of teachers for the performance of the assignments listed in the Extra Compensation Schedule set forth in Exhibit C (which is attached hereto and made a part of this Agreement) shall be determined by such Schedule.

The School Board will determine which extra assignment positions are to be filled. Should new extra assignment positions be created during the term of this Contract, compensation for such new positions will be referred to the Extracurricular Committee for a recommendation. The School District shall consult with the Association regarding such Extracurricular Committee recommendations. In the event the parties are unable to agree upon the compensation for a new extra assignment position, the Employer may set the compensation for such position consistent with the compensation for similar assignments, subject to the grievance procedure.

Individual teachers shall advise the Director of Human Resources on or before June 1 for spring activities and on or before April 1 for all other activities, in writing, if the teacher does not wish to continue with a co-curricular or extra-curricular assignment during the subsequent school year.

ARTICLE VII INSURANCE

Section 1. Group Insurance. During the term of this Contract, the Employer will purchase group insurance policies described in this Article as provided by law. The eligibility of an enrolled teacher for benefits shall be governed by the terms of the master insurance contracts in force between the Employer and the insurers providing such coverage. It is further agreed that the Employer's only obligation under this Article is to make the premium payments as provided in this Contract, and no claim shall be made against the Employer in the event of a denial of insurance benefits by an insurance carrier.

Teachers regularly scheduled to work 20 or more hours per week shall be eligible for benefits described in this insurance article. Teachers regularly scheduled to work less than 20 hours per week shall not be eligible for benefits described in this article. The employer shall contribute toward the premiums for health and hospitalization and dental insurances on a pro-rata basis of the amounts listed in Sections 2 and 3 of Article VII for teachers regularly scheduled to work 20 to less than 30 hours per week (.5 FTE to less than .75 FTE). The contribution shall be prorated commensurate with the amount of time the teacher is regularly scheduled to work. Teachers who were employed part time during the first semester of the 1993-94 school year, and were enrolled in the district's health and hospitalization or dental insurance programs shall continue to receive the Board contribution toward such benefits as if they were employed full time. Teachers who were employed full time during the first semester of the 1993-94 school year and were enrolled in the district's health and hospitalization or dental insurance programs and whose contracts are subsequently involuntarily reduced, shall continue to receive the Board contribution toward such benefits as if they were employed full time.

All insurance benefits shall commence on the first day of scheduled service and continue through the following August unless modified by a leave of absence or severance of employment prior to the

close of the school year. The District shall continue its contribution toward the premium for health and hospitalization insurance for dependents of a deceased teacher for a period of six months after the teacher's death or until the contribution would have otherwise ceased, whichever is sooner, provided the deceased teacher was enrolled in family coverage at the time of death.

Substitute teachers working less than sixty (60) consecutive working days shall not be eligible for benefits described in this Article. When it is known in advance that a substitute teacher will be employed for sixty (60) consecutive working days or more, the teacher will receive a substitute contract and shall be eligible for insurance benefits as provided in this Agreement. Participation in the district's insurance benefits plans will cease effective on the last day of the month in which the last day was worked.

Section 2. Health and Hospitalization Insurance. The Employer will contribute up to \$473.17 for single coverage or \$1,203.75 for family coverage toward the monthly premium during the 2011-12 insurance year for each teacher regularly scheduled to work 30 or more hours per week (.75 FTE or more) who qualifies for and is enrolled in coverage under the district medical and hospitalization insurance plan. The employer will contribute no more than the actual dollar amount of the premium increase up to a maximum District contribution of \$489.73 for single coverage and no more than the actual dollar amount of the premium increase up to a maximum District contribution of \$1,245.88 for family coverage during the 2012-13 school year for each teacher regularly scheduled to work 30 or more hours per week (.75 FTE or more) who qualifies for and is enrolled in coverage under the district medical and hospitalization insurance plan. The effective date for employer contributions shall be September 1, 2011 to August 31, 2012, and September 1, 2012 to August 31, 2013, subject to the duration of the Agreement as provided in Article XXVII, Section 1.

Participation in the insurance program will be voluntary. Coverage shall be effective only upon enrollment of the individual teacher and the teacher's family. Each teacher enrolled under the plan shall contribute, through payroll deduction, any excess of the monthly premium under the plan over the maximum School Board contribution toward the type of coverage for which such teacher is enrolled.

Section 3. Dental Insurance. The Employer will contribute up to \$28.20 for single coverage or \$64.34 for family coverage toward the monthly premium during the 2011-12 insurance year, and up to \$28.20 for single coverage or \$64.34 for family coverage toward the monthly premium during the 2012-13 insurance year for each full-time teacher who qualifies for and is enrolled in coverage under the district dental insurance plan. The effective date for employer contributions shall be September 1, 2011 to August 31, 2012, and September 1, 2012 to August 31, 2013, subject to the duration of the Agreement as provided in Article XXVII, Section 1.

Section 4. Income Protection. The Employer will pay the full premium for each teacher who qualifies for and is enrolled in coverage under the district's long-term disability insurance plan. Benefits shall be payable after 60 consecutive days of total disability at 66 2/3% of the basic monthly earnings, including longevity, but may not exceed \$3,200.00 a month.

Up to thirty (30) accumulated sick leave days may be used on a pro-rata basis while receiving disability income; however, the total income generated from using sick leave with disability benefits may not exceed the teacher's basic earnings. The School District shall continue its contribution for health and hospitalization insurance for up to six months (180 consecutive days) after the last day worked for absence due to total disability. Thereafter, teachers receiving long-term disability insurance benefits may continue in the district's group insurance plans at the teacher's expense. Benefit payments shall continue in accordance with federal regulations.

Section 5. Life Insurance. The Employer will provide group term life insurance coverage for each teacher who enrolls in the insurance plan in the amount of \$50,000.00. Each teacher may purchase additional group term life insurance in increments of \$25,000 up to a maximum of \$100,000 at the group rate upon evidence of insurability and acceptance by the carrier. The cost of such additional coverage shall be paid fully by the teacher through payroll deduction.

Section 6. Tax Deferred Accounts. All eligible teachers may participate in an IRS approved tax-deferred plan established pursuant to United States Public Law No. 98-370. For a company to be eligible to write a policy, the company must have at least three (3) clients.

Section 7. Retirement Insurance. Teachers shall notify the District of their intent to retire by April 1.

Subd. 1. Eligibility. Any teacher whose seniority date is prior to July 1, 2009 and has at least ten (10) years experience in Independent School District No. 659 and retires upon attaining age fifty-five (55) or thereafter may elect to be covered under the group health and hospitalization, dental plans and life insurance plans provided by the School District as provided by law.

Once a retired employee becomes eligible for Medicare the retired employee's coverage will convert to a Medicare supplement policy. Such policy (when combined with Medicare) will at a minimum be equivalent coverage to the group health and hospitalization plan offered to active employees and retired employees who are not eligible for Medicare.

In the event a retired employee and his or her dependent(s) become eligible for Medicare at different times, the individual insured will be converted to the Medicare supplement policy upon becoming eligible. At such time as there is only one other insured remaining on the family group health plan, he/she will be converted to a single policy under the group health plan until they become eligible for Medicare. If dependent children are covered under the group health plan they will be eligible to continue coverage until such time that the last parent covered on the group health plan becomes eligible for Medicare.

Subd. 2. District Contribution. The teacher may continue participation in the district's group term life insurance plan according to provisions of Section 5 above at the teacher's own expense until the teacher is eligible for Medicare.

Prior to becoming Medicare eligible, the District shall contribute toward the premium for health and hospitalization and dental coverage under the same conditions as an employed teacher but not more than 80% of the health and hospitalization insurance premium as follows:

1. Nine (9) years for those teachers whose most recent date of hire was on or before September 1, 1987.
2. Six (6) years for those teachers who were employed September 1, 1987 through June 30, 2009.
3. Teachers who retired prior to July 1, 2001, will continue to be eligible for the School District's contribution toward their insurance for the period of time established at the time of their retirement.

Once the retired employee or their dependent(s) obtain Medicare eligibility, the District shall contribute up to \$350.00 toward the monthly premium of the Medicare supplement plan for the remainder of the contribution period as defined above.

When the retiree becomes eligible for Medicare, the retiree must be in compliance with M.S. 471.611.

Subd. 3. Teachers whose seniority date is after July 1, 2009. The benefits outlined in this subdivision shall be available to regular teachers that work .50 FTE or more whose seniority date is on or after July 1, 2009, for the full school year. Teachers must be actively working for the full school year to be eligible for the Health Reimbursement Arrangement (HRA) contribution. Teachers on leave of absence during a school year will not be eligible for HRA contributions for that school year. The HRA contribution will not be prorated for partial school years worked with the following exception: teachers who retire prior to the end of the school year will receive a prorated contribution based on the number of days worked divided by the total number of teacher duty days in the school year during which they retire.

Beginning in contract year 2009-10, the district will set aside \$1,000.00 annually for all newly hired full-time teachers. Regular part-time teachers that work .50 FTE or more will receive a prorated portion of the contribution. The district contribution will be made in July following the preceding full school year of service. The district contribution will be deposited into a district reserved account on behalf of all eligible employees as outlined in this article; however, all district contributions will remain district assets until eligible employees meet the district's vesting requirements. Teachers will become vested when they have at least 10 years of continuous service to the district, including District approved leaves of absence. For each year of service thereafter, the district will continue to deposit \$1,000.00 annually in the HRA account of all eligible full-time employees as outlined in this article. The deposit for part-time teachers will be prorated to the FTE for which they are contracted. The district contributions will be made in July following the preceding full school year of service. The vested teacher will have access to his/her HRA account balance upon separation of employment.

Teachers whose seniority date is on or after July 1, 2009, shall not be eligible for other benefits provided under Article VII, Retirement Insurance; Section 7, Subdivision 1 or 2.

Subd. 4. Other Employer Insurance. Coverage will be available to a retired teacher who has group medical insurance available to him/her from another employer; however, such other employer's coverage shall be considered primary.

ARTICLE VIII LEAVES

Section 1. Leave Allowance.

A. At the beginning of each school year each teacher employed half time or more will be granted a leave allowance the hourly equivalent of twelve (12) days, prorated to the FTE portion of the teacher's individual contract, for absences without deduction from pay during such school year. A teacher may use the hourly equivalent of fifteen (15) days the first year, but only a maximum of the hourly equivalent of twenty-four (24) days will be allocated the first two years of employment. Such leave allowance may only be used under the terms and conditions set forth in this Article. All sick leave, bereavement leave, and personal leave will be charged against the teacher's leave allowance, except as provided in Section 4A, Article VIII, below. All leave allowance shall be based on a teacher's current workday.

B. Unused portions of a teacher's leave allowance may accumulate from one basic school year to the next to a maximum of two hundred (200) days.

C. Number of days accumulated shall be noted on the teacher's contract or notification shall come from the Human Resources Office with the September paycheck.

D. Leave allowance will not apply, nor may it be earned or accumulated during any leave of absence, paid or unpaid, except as expressly provided in this Agreement.

E. When a teacher has used all his/her leave allowance, the teacher will be allowed to use days drawn from the “leave allowance bank”.

- (1) All teachers who wish to participate shall notify the Human Resources Office within twenty (20) days after such teacher’s first workday for the school year. Participating teachers will be assessed one day of leave allowance at the time they join the leave allowance bank. All assessed days will be accumulated in a bank where they will be available to participants who have used all their designated leave allowance days. When the days in the bank have been used, all participants will be reassessed one day, thus the days in the bank will equal the number participating.
- (2) A teacher may withdraw from the “leave allowance bank” at the beginning of any school year. In case of withdrawal, a teacher’s contribution of days to the leave allowance bank stays in the bank.
- (3) A teacher may use no more than twenty (20) days from the sick leave bank in any given school year, effective with the implementation of Article VII, Section 4, paragraph 2.
- (4) Both the Employer and the NEA have a substantial interest in insuring that days from the leave allowance bank are used only for legitimate reasons in accordance with the terms of this Agreement. Every reasonable effort will be made to involve both the NEA and the Employer in counseling teachers repeatedly using the leave allowance bank to insure that the appropriate contractual standards are met.
- (5) Days from the sick leave bank shall not be used for personal leave, parental leave, school conference or activity of a dependent child, or to care for an employee’s parent. Days from the sick leave bank may be used for bereavement leave not to exceed the number of days allowed in Section 3. The leave allowance bank shall not be used when a teacher qualifies for disability income.

F. School Conference and Activities Leave. In accordance with the provisions of MS.181.9412, the District will provide each teacher with up to sixteen hours of school conference and activities leave during any twelve month period to attend school conferences or school related activities related to the employee's child, provided the conference, activity or observation cannot be scheduled during non-work hours. One school day advance written notice shall be provided via the District’s substitute/leave reporting system. The Human Resources Director can waive the advanced written notice requirement in emergency situations under exceptional or unusual circumstances. Such leave will be deducted from the teacher's leave allowance.

Section 2. Sick Leave.

A. Leave allowance may be used by a teacher for necessary absence on a work day during the school year because of illness or injury of the employee or the employee’s dependent child. This includes medically necessary appointments.

A maximum of three days of leave allowance may also be used because of illness, injury or medically necessary appointments of the employee’s parent.

Sick leave bank days may not be used when absence is due to a sick or injured dependent child or employee’s parent.

B. A teacher may be notified in writing that, in order to qualify for future sick leave pay, a statement from a physician of the teacher's choice may be required.

C. A teacher receiving compensation under the Worker's Compensation Act may elect to use accumulated leave allowance to make up the difference between the worker's compensation payments and the teacher's regular basic salary. Deductions from leave allowance will be made on a prorated basis according to the additional payments to the teacher. In no event shall the additional compensation paid to the teacher result in the payment of total daily, weekly or monthly compensation in excess of such teacher's basic salary.

D. Sick Leave for Part-time Teachers. Teachers employed less than 20 hours per week shall be eligible for four (4) days of sick leave per year, commensurate with the portion of the day worked, non-accumulative, for personal illness or injury. Such teachers will not receive any other benefits provided under this Article.

Section 3. Critical Illness and Bereavement Leave.

A. Up to a total of ten (10) days leave allowance per year may be used in case of bereavement leave or critical illness.

1. Critical illness shall mean an illness requiring hospitalization, or requiring medically necessary in home care of a child, spouse or parent, as defined in the Family and Medical Leave Act.
2. Bereavement leave may be used in the case of a death of family members or friends.

Exceptions to the above restrictions may be granted at the discretion of the Superintendent, or designee, depending upon the circumstances surrounding the leave.

Section 4. Personal Leave and Short-term Leave of Absence.

A. A teacher will be allowed two (2) days per year of personal leave, non-accumulative, without the necessity of prior administrative approval, but with at least three (3) days written notice via the District's substitute/leave reporting system except for emergency. These two days will not be deducted from the leave allowance.

Personal Leave for a particular day will be granted on the basis of the order such requests are received. The following chart indicates the number of teachers eligible for personal leave by building for each eligible work day:

Northfield High School	4
Northfield Middle School	3
Bridgewater Elementary	2
Greenvale Park Elementary	2
Sibley Elementary	2
Longfellow (Special Education/Itinerant Staff)	1
ALC	1

Personal leave will not be granted during the first week or the last week of instructional days, or on an open house as referred to on the school calendar, workshop or conference days, except in exceptional and unusual cases at the discretion of the Director of Human Resources. Requests need not include reasons for the leave day except when the teacher is requesting an exception to the above regulations.

- B. Included in the last check of the school year, any teacher who uses no Personal Leave for the school year shall receive an additional \$300 payment, prorated for FTE.

Included in the last check of the school year, any teacher who uses only one Personal Leave day for the school year shall receive an additional \$100 payment, prorated for FTE.

The payment shall be calculated based on the whole number. No proration shall be provided for portions of a whole personal day remaining.

Examples: A full-time teacher who has used no personal leave during the year would receive a one-time payment of \$300. A full-time teacher who has used one half of a personal day (has 1.5 days of personal leave remaining) would receive a one-time payment of \$100. A teacher who has used 1.4 personal days (has 0.6 of personal leave remaining) will not receive any additional payment.

- C. The Director of Human Resources may approve a short term leave of absence beyond that specified herein for exceptional and unusual circumstances, which shall result in the withholding of pay as computed against the total number of teacher duty days in the contract year.

Section 5. General Leave of Absence.

- A. Upon application, a teacher may be granted a full or part time general leave of absence from his/her employment, without pay, at the discretion of the Board of Education. The School Board's decision may not be grieved. Requests will be initiated through the building principal or immediate supervisor prior to March 1. The Board will act on the request after receiving a recommendation from the building principal or immediate supervisor and the Superintendent.
- B. The Professional Growth Committee may recommend placement on the salary schedule to the Board of Education when the teacher returns to employment.
- C. While on the leave described in this Section, or while on an extended leave of absence granted pursuant to M.S. 122A.46, a teacher may continue participation in the insurance plans of the school district at the teacher's own expense.
- D. Leave of absence is contingent upon the Board of Education finding a suitable replacement for the teacher requesting leave of absence and upon the teacher having taught in the Northfield system for at least two years.
- E. A teacher who has given notice of intent to return at the beginning of the next regular school year before March 1 will be placed in an equivalent contractual position, subject to the unrequested leave of absence procedure of Article XIV.
- F. **Right to Return.** For non-probationary continuing contract teachers, excluding those placed on unrequested leave, taking a voluntary reduced position, the right to return to the previously held position shall not exceed one school year except as mutually agreed to by both parties.

Section 6. Sabbatical Leave.

- A.** Any teacher who has taught for at least five (5) consecutive years in the schools of Independent School District 659 since such teacher's most recent sabbatical leave is eligible to apply for sabbatical leave. Teachers who are less than full time with five consecutive years experience in Northfield, are eligible for sabbatical leaves with payment on a prorata basis.
- B.** An application for sabbatical leave shall include a description of the manner in which the proposed sabbatical leave will benefit both the individual teacher and the District. Before February 1, the teacher shall submit to the Superintendent an application for sabbatical leave for the succeeding school year and shall submit a copy of the application to the Professional Growth Building Committee. The Professional Growth Building Committee shall submit its recommendation to the Superintendent by March 1.
- C.** The Superintendent of Schools will make a recommendation to the School Board regarding the application for sabbatical leave. Further recommendations may be sought from the teacher's building administrator and immediate supervisor. Final approval of a sabbatical leave and the program to be followed while on leave shall be at the discretion of the School Board.
- D.** The length of a sabbatical leave shall be one school year or one full semester with modifications of dates by mutual consent.
- E.** The salary of the teacher during the year of sabbatical leave shall be one-half of the basic salary (not to include extra assignment or extra weeks pay) that a full-time teacher would receive.
- F.** The teacher will be granted credit equal to teaching experience in the salary schedule for the year of the sabbatical. The teacher on sabbatical will receive the same rights and fringe benefits (if acceptable to the carrier) as a full-time teacher.
- G.** A teacher returning to the school district from sabbatical leave shall be entitled to return to a position for which the teacher is licensed; provided, however, that return to the district shall be subject to the unrequested leave of absence procedure of Article XIV. The school district will make an effort to assign the returning teacher to a field or grade level appropriate to the sabbatical study area.
- H.** A faculty member receiving sabbatical leave is required to return to the schools of Independent School District No. 659 immediately following the sabbatical year and teach for two years or repay the financial grant that was allowed. Exceptions to the return date may be granted upon the recommendation of the Superintendent and the approval of the Board.
- I.** Sabbatical leave may be granted to combine with programs of study, research, writing or travel that are financed by outside non-commercial agencies such as universities or foundations. The amount of any financial grant provided by an outside non-commercial agency shall not be considered in granting of a sabbatical leave. Any employment during the sabbatical leave period must receive prior District 659 administration approval. Full-time employment during the year of sabbatical will not be approved.

- J. The activity that a staff member engages in while on sabbatical leave must be related to the teacher's professional responsibilities, either present or anticipated, or to any related fields that will improve the teacher's performance.
- K. Granting of sabbatical leave depends upon procurement of a satisfactory substitute.
- L. The school district will grant a maximum of two (2) sabbatical leaves per school year. Procedures and committee membership established by the Meet and Confer Committee shall be followed by a district-wide committee to evaluate and rank order sabbatical leave requests to be recommended to the Superintendent. The ultimate decision, however, is at the discretion of the School Board whose decision may not be grieved.

Section 7. Child Care Leaves. Child care leaves shall be processed under the Federal Family and Medical Leave Act (FMLA) for those teachers that meet the current eligibility requirements of FMLA. Child care leaves for those teachers that do not meet the current eligibility requirements of FMLA shall be processed under the District Disability After Childbirth Policy.

- A. A child care leave shall be granted by the school district subject to the provisions of this Section. Child care leave may be granted because of the need to prepare and/or provide parental care for a child or children of the teacher for an extended period of time.
- B. A teacher making application for unpaid child care leave shall inform the principal in writing with intention to take the leave as soon as possible and at least one calendar month before commencement of the intended leave, except in unusual circumstances. The principal and the teacher will attempt to work out a satisfactory plan for the leave.
- C. If the reason for the child care leave is occasioned by pregnancy, the teacher shall also provide at the time of the leave application, a statement indicating the expected date of the delivery. Sick leave under Section 2 and long-term disability insurance under Article VII, Section 4, is available for the disabilities of pregnancy prior to the commencement of the child care leave. Such use of sick leave days shall run concurrently with parental leave days under paragraph K.
- D. The school district may make moderate adjustments in the proposed beginning or ending date of a child care leave so that the dates of the leave are coincident with some natural break in the school year - e.g., winter vacation, spring vacation, semester break or quarter break, end of reporting period, end of the school year, or the like.
- E. In making a determination concerning the commencement and duration of a child care leave, the School Board shall not, unless otherwise agreed, be required to:
 - (1) Grant any leave more than six (6) months in length or to the beginning of the school year following such six (6) month period.
 - (2) Permit the teacher to return to his or her employment prior to the date designated in the request for child care leave.
- F. A teacher returning from child care leave shall have a right to return to the teacher's original position as specified in the teacher's child care leave plan if the teacher's leave is commenced and concluded within the same school year or concluded prior to the first teacher duty day of the following school year. If a teacher's child care leave plan does not call for the teacher's return within the year it is commenced, a teacher shall have the right

to be returned to an equivalent contractual position, subject to the unrequested leave of absence procedure of Article XIV and transfer procedures in Article XV.

- G.** Failure of the teacher to return pursuant to the date determined under this Section shall constitute the failure to teach without first securing a release which is a ground for immediate discharge unless the school district and the teacher mutually agree to an extension in the leave.
- H.** A teacher who returns from child care leave within the provisions of this Section shall retain all previous experience credit and any unused leave time accumulated under the provisions of this Agreement at the commencement of the leave. The teacher shall accrue additional experience credit or leave time during the period of absence for child care leave, if the leave commences and ends within the same school year. Experience credit for any subsequent leaves for the same child shall be in accordance with Article V, Section 1, Item A.
- I.** Child care leave shall be without pay. The school district shall continue its contribution for group insurance as specified in Article VII for a teacher on child care leave through the following August. Thereafter, a teacher may continue participation for the remainder of the leave, or subsequent child care leaves for the same child, in the insurance plans of the School District at the teacher's own expense.
- J.** Up to ten (10) days leave allowance may be used for adoption purposes such as preparation and legal reasons, necessary travel, and initial adjustment.
- K.** Up to five (5) days parental leave may be used within 30 days of the birth of a child, the days used to be deducted from sick leave.

Section 8. Jury Duty. For any teacher who is required to serve as a juror, the Employer will make up the difference between such teacher's basic salary and the fees (but not reimbursed expenses) received by the teacher. In order to be eligible for this supplement, the teacher must submit to the business office an itemized certification of fees and expenses for jury duty. Advance notice to the building principal is required to permit the scheduling of a substitute. A teacher is also required to notify the building principal immediately upon being excused from jury duty. If excused from jury duty prior to noon on the duty day, the teacher will return to duty.

ARTICLE IX HOURS OF SERVICE

Section 1. Basic Day. Except as modified pursuant to Article X, Section 2, the basic teacher's day, inclusive of a 25 minute "duty free" lunch, shall be eight hours. Part-time teachers shall have responsibilities in proportion to their contracts: e.g., a teacher with a 3/5 contract is responsible for up to 24 hours of service per week. Part-time teachers will receive a 25 minute duty free lunch period and pro-rated prep time and non-instruction time within their duty time calculation.

Section 2. Building Hours. Under normal circumstances, the building hours for the Basic Day shall be from 7:45 a.m. to 3:45 p.m. with a duty free lunch and a preparation period. The specific hours at any individual building may vary according to the need of the educational program of the school district. The School Board retains the right to set different hours for each building after conferring with the exclusive representative, and has, after such a conference, specifically retained the ability to alter the starting and ending times of the basic work day by up to 45 minutes, not to exceed eight (8) hours per day. Teacher requests for flex time of up to 60 minutes may be approved at the discretion of the

building principal. Teachers may leave the building on Friday afternoon after the students have left the buildings. The building principal may extend dismissal of staff on Friday for good and sufficient reason after conferring concerning the agenda with the NEA building representative and consistent with the provisions of Article IX, Section 3C.

On scheduled non-student contact days, all buildings will have common building hours and lunch period in order to facilitate collaborative activities between buildings and maximize effective use of presenters and consultants.

Section 3. Preparation Time.

- A.** The School Board recognizes that the teachers use part of their time at home as additional preparation time.
- B.** Each full-time secondary teacher shall have one uninterrupted period during the school day for preparation. Each full-time elementary teacher shall have preparation time comparable to that provided secondary teachers. Such preparation time shall be scheduled in one or two uninterrupted time blocks during the student contact day, except when scheduled differently by mutual agreement between the individual teacher and school administration. The District continues its strong commitment to provide full-time elementary teachers with one uninterrupted time block for preparation. Preparation time for part-time teachers shall be prorated. The word “uninterrupted” shall not prevent ordinary professional communications.
- C.** In addition to B above, any unscheduled time between the hours of 7:45 a.m. and 3:45 p.m. shall be considered preparation time. Principals may require attendance of building faculty members at one meeting not to exceed one hour per week scheduled during the preparation period.
- D.** School District procedures for attendance in the classroom while a special teacher has charge of the class shall be clearly defined in School District policies. In the absence of such a policy, classroom attendance shall be up to the discretion of the classroom teacher. This policy shall be subject to the grievance procedure.

Section 4. Specialists Schedules. The maximum number of 25 minute sections that a 1.0 FTE elementary specialist teacher shall teach per week is 65 sections.

ARTICLE X LENGTH OF THE SCHOOL YEAR

Section 1. Teacher Duty Days. Pursuant to M.S. 120A.40, the School Board shall, prior to April 1 of each school year, determine the number of school days and teacher duty days for the next school year. Each teacher shall perform services on those days as determined by the School Board, including those legal holidays on which the school district is authorized to conduct school. The school year shall include not more than 187 teacher duty days (exclusive of holidays and Education Minnesota Professional Conference Days). The School Board shall consider the recommendation of the Meet and Confer Committee concerning the placement of student days and additional teacher duty days, including parent teacher conference days, and/or evenings and open houses for which compensation time shall be scheduled, and shall adopt the school calendar for the succeeding school year indicating the placement of the above days prior to April 1.

Section 2. Emergency Closings and Rescheduling of Teacher Duty Days and Hours. In the event of any emergency, school may be closed at the discretion of the Superintendent. Upon the

recommendation of the Superintendent, and approval by the School Board, teacher duty days and school days may be rescheduled, building hours may be changed, and the length of the basic teacher's day may be adjusted; provided, however, that the School Board shall not increase the total duty time per week required of a teacher. Such changes shall be discussed with the exclusive representative prior to final action by the School Board. For the purpose of this Section an "emergency" shall include, but shall not be limited to, unusually severe weather, mechanical failure of essential equipment affecting the comfort and safety of pupils and teachers, epidemic or widespread illness, severe energy shortages, or damage to building by fire or water, etc., work stoppages by other employee groups. Student days lost because of emergency closings will be made up only to maintain the minimum number of days required for receipt of state aid by the School District. Teacher work days lost because of emergency closing will not be made up, but other teacher duty days may be made up upon recommendation by the Superintendent and approval by the School Board.

Section 3. Work Periods During Workshop Days. When scheduled by the School District, a teacher work period is intended to allow teachers to complete necessary work away from the presence of students. Usable blocks of time of no less than three hours will be scheduled. Building-wide and district-wide meetings will not be scheduled during this time except after consultation with the chief NEA building representative or other appropriate NEA representative.

**ARTICLE XI
DUES CHECK-OFF AND FAIR SHARE FEE**

Section 1. Dues Check-Off. The School Board agrees to deduct dues for membership in the Association and such other deductions as are mutually agreed by the Association and the School District for any individual teacher who has authorized such check-offs on the following form:

DUES DEDUCTION AUTHORIZATION FORM		
NAME _____	_____	_____
Last	First	Middle Initial
School or Department _____		
<p>I hereby request and authorize Independent School District No. 659, Northfield, Minnesota, to deduct from my earnings and deposit to the credit of the Northfield Education Association an amount sufficient to provide for regular payment of the current rate of membership dues as certified by the Northfield Education Association. This authorization is revocable by me only upon thirty (30) days written notice to Independent School District No. 659 on authorized forms, with due notice to the Association, or upon termination of my employment. I hereby waive all right and claim for said monies so deducted and deposited in accordance with this authorization, and relieve Independent School District No. 659 and all its officers from any liability therefor.</p>		
Date _____	Employee's Signature _____	
Social Security No. _____		

Dues deductions will be made in equal amounts from each regular salary check of the teacher for eight months, beginning in October and ending with May. The dues check-off authorization shall continue in effect until revoked in writing as specified therein. One week prior to the October payroll cut-off, the Association shall furnish the business office with a list of the appropriate deductions for each member. Deductions for teachers employed after the commencement of the school year shall be appropriately prorated to complete payments by the following May.

Section 2. Fair Share Fee. Any teacher who is not a member of the Association may be required by the Association to contribute a fair share fee for services rendered as exclusive representative. The fair share fee for any teacher may not exceed an amount equal to the regular membership dues of the exclusive representative, less the cost of benefits financed through the dues and available only to members of the exclusive representative, but in no event shall the fee exceed 85% of the regular membership dues. The Association shall notify the business office, the Director of the Bureau of Mediation Services, and each teacher of the amount of the fair share fee, and shall certify that such fair share fee conforms to the requirements of the PELRA.

A fair share fee deduction will be made for an individual teacher upon written notice by the Association to the business office that such teacher is not a member of the Association. The School Board will thereafter make deductions of the fair share fee from each paycheck occurring thirty (30) days or more subsequent to such written notice. The Association shall notify the business office in writing within ten (10) days after any teacher subject to a fair share fee deduction becomes a member of the Association, and no further fair share fee deductions for such teacher will thereafter be made.

Any dispute as to the validity of the fair share fee deductions shall be solely between the Association and the individual teacher involved. The Association hereby warrants and covenants that it will defend, indemnify, and save the School Board harmless from any and all actions, suits, claims, damages, judgments and executions or other forms of liability, liquidated or unliquidated, which any person may have, or claim to have, now or in the future, arising out of or by reason of the deduction of the fair share fee provided herein.

Section 3. Deduction Transmittal. The School Board shall remit to the Association, within ten (10) calendar days following each pay period, the total amount deducted for membership dues and fair share fees. The School Board will provide the Association with an alphabetical list of teachers for whom deductions have been made from the first paycheck in October, and will notify the Association of any changes to this list for subsequent paychecks.

ARTICLE XII EVALUATION AND IMPROVEMENT OF INSTRUCTION

Section 1. Evaluation. The School Board and the Northfield Education Association mutually agree that evaluation of all professional staff for the improvement of instruction is a major responsibility of the teaching profession. Evaluations generated through staff development programs, effective schools programs and/or program review aspects of the North Central Association will be used only for improvement of teaching performance. The District policy regarding the evaluation of professional staff shall be used for evaluation purposes. Any changes in the District policy regarding the evaluation of the professional staff shall be subject to either party placing the topic on an agenda for discussions through the Meet and Confer procedures.

Section 2. Improvement of Instruction. The Association and the District agree that a program of incentives for excellence will be cooperatively developed. Any recommended changes in existing compensation arrangements would be implemented through amendment to this Agreement, ratified by the Northfield Education Association and the School Board.

ARTICLE XIII TRAVEL

Section 1. Mileage. Necessary and approved transportation required of any teacher in the performance of school duties shall be at the expense of the School District. The mileage reimbursement rate for affected employees shall be the rate established by the IRS, and any change in rate will be effective the first of the month following the announcement of the new rate.

Section 2. Attendance at Meetings Outside the District. Attendance of teachers at national and state meetings outside the district will be subject to the availability of funds in the teacher travel budget as may be set by the School Board, which shall be separately stated from the travel budget for administrators. Such travel must be approved in advance by the appropriate building principal or elementary team leader. Priority for the use of such funds should go to teachers who are officers in their respective professional groups or who must participate actively in a meeting. For information purposes, see District Procedure EEBC-R, Non-Ownership Liability Insurance Procedure.

Section 3. Bus Driver's License. Any teacher who accepts a district request to have a bus driver's license will be reimbursed for the license fee and the cost of having the required bus driver physical examination form completed by a doctor.

ARTICLE XIV UNREQUESTED LEAVE OF ABSENCE

Section 1. Purpose. The purpose of this Article is to set forth a procedure for unrequested leave of absence without pay or benefits for as many non-probationary teachers as defined in M.S. 122A.40 as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts. This Article has been agreed upon by the School Board and the NEA pursuant to the provisions of M.S. 122A.40, Subd. 10. Accordingly, the provisions of M.S. 122A.40, Subd. 11 and case law stemming from M.S. 122A.40, subd. 10 and 11 shall not be applicable to any teacher included in the appropriate unit. Nothing in this Article shall be construed to limit or impair the rights of any individual who is not included in the appropriate unit represented by the Association.

Section 2. Definitions. For purposes of this Article, the following terms shall be defined as follows:

"Teacher" means a non-probationary "teacher" as defined in M.S. 122A.40 who has a valid license to teach in Minnesota.

"Subject matter or field" shall mean a specific subject area and grade level licensed by the Minnesota Board of Teaching for which specific licensing criteria have been set.

"License" shall mean license issued by the Minnesota Board of Teaching, and shall include only licenses actually on file in the District Office as of November 1.

"Qualified" shall mean the teacher must either have attained a college degree within the previous four (4) years, completed at least one year of actual teaching experience in the subject matter or field, or agree to complete a reasonable program of refresher training in such subject matter or field.

Section 3. Seniority Date. Seniority shall be based upon continuous and unbroken employment with Independent School District No. 659 from most recent date of contracted service, including periods of employment with the district outside the appropriate unit and periods of authorized leave of absence. Upon completion of the probationary period, each teacher employed under individual written

contract pursuant to M.S. 122A.40 will be assigned a seniority date retroactive to the first day of actual service for the district during the regular school year pursuant to such individual contract. Services performed outside the regular school year for additional compensation (except for regular teaching service performed for extra weeks) shall not be considered in the establishment of a teacher's seniority date. The original seniority date shall be retained by any teacher whose employment has been legally terminated by resignation or termination pursuant to M.S. 122A.40, but whose employment was subsequently reinstated without actual interruption of regular service.

Section 4. Seniority List. On or before November 15 of each year, the district shall prepare from its records a seniority list, in order of seniority date, which shall contain the seniority date, name and area(s) of licensing for each teacher as shown by licenses on file in the district office as of November 1 of said year, and current employment status (i.e., whether on leave, including specification of type and length of leave). Teachers with identical seniority dates will be listed in the order of their lane placement approved by the School Board as of the date of preparation of the seniority list: the teacher approved for the highest lane placement as of the date of preparation of the seniority list, will be listed first. In the event of a continuing tie, the teacher with the lower license number will be senior. The School Board will provide one (1) copy of the seniority list to the Association and will post one (1) copy of the seniority list in each school building on or before November 15 of each year. Any teacher may challenge the correctness of the information contained in the posted seniority list by filing a written grievance with the Superintendent. In the absence of a grievance filed within twenty (20) calendar days from the date of posting, the posted seniority list will be conclusively deemed to be correct.

Section 5. Unrequested Leave of Absence. The School Board may place on unrequested leave of absence as many teachers as may be necessary because of discontinuance of position, lack of pupils, financial limitations, or merger of classes caused by consolidation of districts.

Section 6. Placement on Unrequested Leave. In the reduction of staff in any subject matter or field, probationary teachers shall be non-renewed before teachers with continuing contract rights are placed on unrequested leave of absence. Among teachers with continuing contract rights, the qualified teacher who is lowest on the seniority list shall be the first full-time teacher placed on unrequested leave of absence. Any teacher placed on unrequested leave of absence pursuant to this Section shall be notified in writing of such unrequested leave of absence. The school district will assume when completing the process of proposing teachers for unrequested leave that teachers possessing "bumping" rights will exercise these rights unless they have previously notified the school district to the contrary in writing, subject to the following conditions:

- A. The teacher exercising bumping rights must be higher on the seniority list than a teacher being displaced.
- B. A teacher with a temporary, limited or provisional license may not displace any teacher with a major in such subject matter or field of licensure.
- C. Teachers who have previously taught full-time for the district but whose contracts have been voluntarily reduced through an approved leave of absence, or involuntarily reduced and who still retain recall rights to a full-time position under Sections 8 and 9 of this Article may displace a junior full-time teacher. The District has the discretion to provide full or part-time leaves of absence for a definite duration.
- D. A full-time teacher who has been placed on unrequested leave shall have recall rights to a lesser position but acceptance of a lesser position shall not jeopardize rights to a full-time position equivalent to that previously held.

Section 7. Status While on Leave. An unrequested leave of absence shall be effective as of the last duty day of the regular school year as per the school calendar, or at such earlier time as mutually agreed between the School Board and the individual teacher even though the date for final notice of placement on ULA is June 30. A teacher on such leave may engage in teaching or any other occupation during the period of such leave, and may be eligible for unemployment compensation pursuant to the criteria for eligibility under the Unemployment Compensation Act.

Section 8. Recall.

Subd. 1. No new teacher shall be employed by the School Board in any position while there is available, on unrequested leave of absence, a teacher who is properly qualified to fill the vacant position. A teacher placed on unrequested leave of absence shall be recalled, as positions become available, to the position from which such teacher was placed on leave, or if not available, to any other position for which such teacher is qualified. If a teacher is offered a contract which results in less than the original employment, the teacher shall not be required to accept the position and this shall not jeopardize the teacher's right to recall to original status. Reinstatement shall be in the inverse order of placement on leave: the last teacher placed on unrequested leave of absence who is qualified for the position shall be the first recalled.

Subd. 2. The School Board may send out multiple letters of recall for a single vacancy, inquiring whether the teachers notified are willing to accept recall to the vacant position if those teachers with superior recall rights do not accept recall to a position. Notice of recall by the School Board shall be complete upon mailing such notice by certified mail addressed to the last known address provided by the teacher.

Subd. 3. Prior to August 1, a teacher accepting or rejecting recall shall respond within ten (10) calendar days of notice as to whether or not he/she will accept such position. Failure to reply within such ten (10) calendar days period shall constitute a waiver on the part of such teacher regarding the position(s) offered and shall constitute waiver on the part of that teacher to any further rights of employment or reinstatement and shall forfeit any further reinstatement or reemployment rights.

If notice of any available position is given to any teacher on or after August 1 of any school year, such teacher must respond within seven (7) calendar days and may decline the recall without waiving his/her rights to further employment or reinstatement and shall maintain his/her seniority date without interruption. Failure to reply within such seven (7) calendar days period shall constitute a waiver on the part of such teacher regarding the position(s) offered and shall constitute waiver on the part of that teacher to any further rights of employment or reinstatement and shall forfeit any further reinstatement or reemployment rights.

Section 9. Termination of Rights. A teacher's seniority rights, unrequested leave of absence, and recall rights, if any, shall terminate upon the earliest of the following events:

- A. Resignation;
- B. Retirement;
- C. Discharge or termination of contract;
- D. Failure to return at the expiration of a leave of absence;
- E. Failure to give written notification of willingness to accept recall to a position equivalent to that from which the teacher is on unrequested leave of absence within the time limits established under Section 8. In the event that a teacher has signed a teaching contract with another school district prior to recall and the School Board of that district notifies the

Northfield School District in writing of its refusal to release the teacher from the contract, the teacher will be allowed to defer recall for the next school year or the remainder of the school year without termination of rights under this section.

- F. The expiration of five (5) years from the effective date of an unrequested leave of absence without recall.

Section 10. The doctrine of the Strand Case, and other case law stemming from M.S. 122A.40, subd. 10 and 11, as enunciated by the Minnesota Court of Appeals and the Minnesota Supreme Court shall not be applied in the administration of this Article. The School District shall not be required to transfer a senior teacher to a different assignment involving another area of licensure in order to accommodate the seniority claim of a less senior teacher during the process of layoff or recall.

Section 11. Continuation of Insurance. The School District shall provide insurance benefits as provided in Article VII until the following August 31 to all teachers who are placed on unrequested leave of absence according to the provisions of this Article. A teacher shall not be eligible for benefits while on unrequested leave of absence except as provided by law.

Section 12. Concurrent Leaves. An unrequested leave of absence may run concurrently with any other leave granted in accordance with this Master Contract or in accordance with Minnesota Law.

ARTICLE XV VACANCIES AND TRANSFERS

Section 1. Vacancies and Applications for Transfers. For all transfers between school buildings and vacancies for permanent positions, the School Board will post notices of the vacant teaching position(s) in each school building. Any teacher may apply for transfer to any posted position for which such teacher is licensed by filing a written application for transfer with the Superintendent, with a copy to the building principal, within five (5) days from the date of posting. The School Board shall consider all timely applications for voluntary transfer before permanently filling any vacant teaching position. The School Board reserves its management right of selection and direction of employees, but shall give written notice to each teacher whose application for voluntary transfer to a posted position is denied. This language shall not apply to postings after May 1 of each school year generated by internal transfers within the school district.

Section 2. Involuntary Transfers. The School Board recognizes that it is in the best interest of the District to minimize the occasions on which a teacher must be involuntarily transferred to a teaching position in another school building. Accordingly, except for disciplinary transfers, before making an involuntary transfer between buildings, the School Board will solicit volunteers for transfer. Involuntary transfers will ordinarily be made at grade level, insofar as is practical. The School Board shall give written notice to a teacher being involuntarily transferred to another school building.

Section 3. Assignments. The School District will make an effort to post all teaching assignments for the following school year ten (10) working days before the last teacher duty day. When reassignments involving moving are initiated by the District, the teacher shall be paid \$100.00 as the moving reimbursement.

Section 4. Grievances. A teacher who desires a written statement of reasons for his or her involuntary transfer or denial of his or her application for voluntary transfer to a posted position shall make a written request for such statement of reasons to the appropriate building principal within five (5) days after receiving notice of the denial or transfer. Such written statement of reasons shall be given to the teacher within five (5) days following a timely request. Any teacher may file a formal policy grievance over the statement of reasons given to such teacher for an involuntary transfer or

denial of a voluntary transfer within twenty (20) days after receipt of the statement of reasons, but such grievance shall not be subject to arbitration.

**ARTICLE XVI
LONGEVITY**

Section 1. After twenty (20) years of employment as a teacher, ten (10) of which must be in the Northfield School District, a teacher shall receive a career increment totaling \$2,500.00 for the 2011-12 school year and \$2,500.00 beginning with the 2012-13 school year.

Section 2. After twenty-five (25) years of employment as a teacher, ten (10) of which must be in the Northfield School District, a teacher shall receive a career increment totaling \$5,000.00 for the 2011-12 school year and \$5,000.00 beginning with the 2012-13 school year.

School years during which a teacher has been on any type of leave of absence for which step increments are not granted shall not be counted as a year of employment for the purposes of determining longevity eligibility. Longevity amounts shall be prorated to the FTE portion of the teacher's individual contract.

**ARTICLE XVII

Subd. 5. Severance pay shall be paid by the School District in one lump sum within a month after the effective date of retirement and shall not be granted to any teacher who is discharged from the district.

ARTICLE XVIII MATCHING 403(b) TAX DEFERRED PLAN

Section 1. Eligibility. Teachers hired on or after July 1, 2002, and those teachers making an irrevocable severance forfeiture decision as provided for in Article XVII, shall be eligible for a matching contribution by the School District to a 403(b) tax-deferred plan beginning with the school year in which they become non-probationary in the Northfield School District and in accordance with applicable state and federal laws, rules and regulations, according to the provisions of subdivisions 1 through 4 below.

Subd. 1. Each year by October 1, eligible teachers who wish to participate in the plan shall be responsible to complete and file a salary deduction authorization for their annual contribution to a matching 403(b) tax-deferred plan. In a year in which a teacher makes no contribution, the District shall likewise make no contribution to that teacher's account.

Subd. 2. The School District will match a teacher’s contribution to a 403(b) tax-deferred plan according to and up to the maximum amounts on the following schedule. For teachers who work less than full time, the district matching contribution will be prorated accordingly.

**ARTICLE XX
PROFESSIONAL GROWTH PROGRAM**

Section 1. Premises for Professional Growth Program. In a society that is rapidly expanding in its social, technological, and educational needs, it becomes imperative that the Northfield School District should recognize and provide leadership in areas which will lead to a quality education for all our students.

- A.** Though excellent facilities and materials are very important, the parties believe that the primary factor for a quality education, is a progressive, well-trained, experienced, and dedicated faculty.
- B.** To attract and retain quality teachers, the District must provide a variety of ways in which they may maintain and enhance their high standards. This continuous growth process should include avenues for growth in skills, for gaining new insights into the needs of our students, for providing a broad base of experience and information, and for exploring new methods and patterns most conducive to efficient learning.
- C.** The District recognizes the worth of these highly trained teachers by providing a salary schedule that includes several lanes.
- D.** The District provides the “machinery” that will most efficiently and fairly evaluate each individual’s professional growth before accepting his/her credits for lane change.

- E. The District attempts to recognize past credits earned by teachers and encourages the teaching staff to prepare for the present and future needs of our students.

Section 2. Establishment and Operation of the Professional Growth Committee.

- A. All matters pertaining to Professional Growth will be submitted to the Professional Growth Committee in the following manner:

- (1) Each teacher should review his/her plan for professional growth with the building committee representative(s).
 - a. This Building Committee will include the building Principal (or his/her appointee), and two fulltime certified teaching staff members (one of which will represent the Building Professional Growth Committee on the District Professional Growth Committee).

To be certain that the credits will be acceptable, the applicant should submit the "Intent Form" BEFORE beginning the course.
 - c. When Intent Forms are completed and approved by the Building Committee, they will be forwarded to the Professional Growth Committee. The Professional Growth Committee will either approve the Intent Forms and recommend action to the Superintendent or send them back to the candidate for revision.
 - d. Minutes and lane change recommendations of the Professional Growth Committee will be submitted to the Director of Human Resources for appropriate action. Each staff member will receive a copy of the minutes of the Professional Growth meeting and it is the staff member's obligation to review these minutes to determine his or her lane change status. When necessary, teachers should consult with their building committee in regard to their professional growth records.
 - e. All approved credits shall remain a part of each staff member's professional growth file and shall not be subject to revocation as long as the staff member is employed by the Northfield School District.

- B. Professional Growth and the Professional Growth Committee shall relate NEW TEACHERS as follows:

- (1) When new teachers are hired, the academic credentials of these staff members will be submitted to a designated member (usually the chair) of the Professional Growth Committee for recommended lane placement before action by the School Board in all cases where it is possible or applicable.
- (2) New teachers are bound by the step and lane agreement upon which they were hired as indicated on the form, PGC-7 "Declared Credits by New Teachers". Review of a teacher's step or lane placement would be made only when there is a claim that credentials are misrepresented by a teacher or claim that the Board or its representative has misrepresented its offer.

Individual contracts will be modified prospectively to reflect qualified lane changes in accordance with the following procedures. The salary for the higher lane placement will become effective on the first of the month following the Professional Growth Committee’s action. Undeclared credits earned prior to initial employment may not be used to attain subsequent lane advancement. To insure that the applicant is informed that undeclared credits earned prior to initial employment may not be used to attain subsequent lane advancement, both applicant and Director of Personnel shall sign Form PGC 7 - “Declaration of Credits by New Teacher”. Copies of Form 7 shall then be placed in applicant’s professional growth folder and permanent file.

Such notice of appeal shall include a copy of the written statement of the grievance and the answers at Level I and Level II.

The School Board shall meet with the grievant and the Association within ten (10) days after receipt of the notice of appeal, or by the date of its next regular board meeting, whichever is later. In the case of a grievance involving a group of teachers, such meeting need include only the Association and the School Board.

The School Board shall, within ten (10) days of such meeting, serve on the grievant and the Association a written statement of the disposition of the grievance at Level III.

Section 5. Level IV. The Association may submit to arbitration any contract grievance that has been properly processed through Level III of the grievance procedure. The Association must file with the Superintendent and Bureau of Mediation Services a written notice of intention to arbitrate not more than fifteen (15) days after the written disposition of the grievance at Level III.

The parties shall endeavor to select a mutually acceptable arbitrator to hear and decide the grievance.
